

I would like to extend my deep thanks to some of the many individuals and organizations who were early contributors and thought partners of the first ever, Silver Linings Advocacy (TM) Certification Program. This is my passion project and I have brought this to fruition with the support and encouragement from all of you.

There were many others too numerous to mention who were behind the scenes, like my sister, Pamela Meyer and my twins, Katrianna and Skyler Kleinschmidt. They kept my energy up when things seemed unsurmountable.

I am humbled and grateful for the support I felt as I went from market research, design, and iterations to the launch. Silver Linings Advocacy (TM) Certification Program is now officially here to be of service to our field providing legitimacy and a road map to the SLA 8 Points of Best Practice.

With appreciation and gratitude I thank you all,

Debra
